# Welcome to the Tour

*Come and experience the magic of Italy on a truly unforgettable art adventure. Immerse yourself in Italian culture and creativity on our fully tutored and guided art retreat in the heart of beautiful Umbria.*

This journey is designed for artists and creatives who want more than just a holiday — it's an immersive cultural and artistic experience filled with inspiration, connection, incredible food, and breathtaking scenery.

You'll be supported every step of the way by your two Tutors and a professional Australian tour guide who has lived and worked in Italy, ensuring a seamless, rich, and deeply local experience.

## Orvieto. OUR CREATIVE HOME

Our main base will be the stunning hill town of Orvieto — a hidden gem perched high above the Umbrian countryside. With its dramatic cliffside setting, winding medieval streets, and golden tufa stone buildings, Orvieto offers an inspiring environment for art-making.

Rich in history from its ancient Etruscan roots to its magnificent 15th-century cathedral, Orvieto is perfectly positioned between Rome and Florence and is also a traditional centre for beautiful Italian majolica ceramics.

Art classes will take place both in the studio of an old convent and outdoors (plein air), allowing you to capture this incredible landscape firsthand.

## *Art, Artisans* & UMBRIAN LIFE

From our base in Orvieto, we will travel through the lush green countryside of Umbria, meeting local artisans and experiencing traditional crafts.

Special experiences include:

- A full day working with a famed majolica artist in his 9th-century castle near Orvieto
- Studio and plein air soft pastel and charcoal art classes with Cindy & Jeanne
- Plenty of free time to explore markets, shops, cafés, and local life

All along the way, we'll enjoy the wonderful flavours of Umbrian cuisine.

## *Cooking, Wine* & LOCAL CULTURE

Italy isn't just about its art — it's about the flavours that bring each region to life. On this tour, food and wine are an essential part of the experience.

One highlight is a hands-on cooking class at a prestigious winery in the picturesque Valley of Assisi. You'll learn traditional Umbrian recipes using fresh, local ingredients and then enjoy a long, leisurely lunch paired with exquisite regional wines, from rich reds to crisp whites.

This part of the journey isn't just about eating — it's about savouring the culture, connecting with local artisans and wine makers, and experiencing the essence of Umbria through its cuisine.

## *Florence*: THE GRAND FINALE

The tour concludes with two unforgettable nights in Florence — the birthplace of the Renaissance.

Florence highlights include:

- A professionally guided walking tour
- Free shopping and exploring time
- Entry into world-famous museums and cathedrals
- A visit to the Galleria Accademia to see Michelangelo's David

Florence offers endless inspiration with its art, architecture, history, shopping, and vibrant street life.
